

The American
Real Estate and
Urban Economics
Association

CALL FOR PAPERS

2020 National Conference

May 28 & 29, 2020

Fairmont Hotel, Washington, DC

The American Real Estate and Urban Economics Association invites paper submissions on all facets of real estate related research for our National Conference. Informative sessions allow ample time for discussion among the presenters and session participants. Policymakers, academics, and real estate practitioners have all come to rely on the leading research and vigorous discussions that are a tradition of this conference. We encourage submissions that highlight pressing issues in real estate finance, urban economics, residential and commercial markets, policy and industry applications, and more.

Although we accept abstracts, we have a strong preference for completed manuscripts.

Submissions

All submissions must be transmitted via the AREUEA conference website. The submission portal is now open. Go to the [2020 National Conference webpage](#) to submit. In the submission portal, please select the “2020 National Conference.”

In addition to supplying the full contact information for the corresponding author and co-authors on the submission form, please also be prepared to **submit your paper or abstract without author names, affiliations, or other identifying information in order to enable a blind review process.** The submitting author must be an AREUEA member.

Deadline

Submissions must be received on or before Saturday, February 1, 2020.

For further information on the call for papers contact the conference Co-Chairs
