### **PRESIDENT'S MESSAGE**

Dear Colleagues and Friends:

I am very pleased to serve as President of AREUEA for 2018. Daniel McMillen should be congratulated for completing his term as the AREUEA President and for his Presidential Address at our luncheon meeting. Congratulations as well to Crocker Liu for organizing the AREUEA sessions at the Philadelphia ASSA meetings and for a terrific cocktail party at the Reading Terminal Market.

We have an exciting and busy summer ahead. I am especially looking forward to our National Meetings in Washington DC on May 31<sup>st</sup> and June 1<sup>st</sup>, organized by Leah Brooks, Crocker Liu, and Raven Malloy. Lincoln Institute's George McCarthy will be giving the keynote talk and we are all pleased that Jim Kau, the winner of the 2018 John Quigley medal, will be giving a special talk as well.

We also have two Asian events this summer. The AREUEA International conference will be on June 12<sup>th</sup> to 15<sup>th</sup> at Jinan University in Guangzhou, China. Vernon Henderson and Joe Gyourko will be giving keynote addresses and I am looking forward to moderating a panel of Chinese real estate professionals who will provide us with insights on current activities in the Chinese markets. Finally, AREUEA will be sponsoring special sessions at the Asian Real Estate Society conference in Incheon, South Korea on July 8<sup>th</sup> to July 11<sup>th</sup>. I'm looking forward to seeing you all in both Washington DC and Asia.

## ABOUT OUR ASSOCIATION...

The American Real Estate and Urban Economics Association (AREUEA) was originated at the 1964 meeting of the Allied Social Science Association (ASSA) in Chicago. AREUEA grew from a need for more information and analysis in the fields of real estate development, planning, and economics.

AREUEA has advanced the scope of knowledge in these disciplines and has facilitated the exchange of information and opinions among academic, professional, and

governmental people who are concerned with urban economics and real estate issues. AREUEA's journal, *Real Estate Economics*, is published quarterly and is distributed on a calendar year subscription basis. The journal contains research and scholarly studies of current and emerging real estate issues.

The Association holds three conferences each year. The conferences are an excellent opportunity for members and non-members to catch up on the most up-to-date research available in the fields of real estate and urban economics.
