A Message from our President

Dear AREUEA members,

The officers and various AREUEA committees have been busy this fall in anticipation of the first virtual annual ASSA-AREUEA meeting. I hope that all of you will be able to join us and participate in this historical meeting.

Crocker Liu is heading the nominating committee this year. The committee is putting together a strong list of candidates for second vice president as well as for the AREUEA Board of Directors. However, they are still soliciting nominations for the Quigley Medal. To apply for the John M. Quigley Medal for Advancing Real Estate and Urban Economics, please submit a letter of nomination (with the nominee's current address, email address, and phone number) that includes a cover letter, the c.v. of the nominee, and evidence of the nominee's contribution.

The submission items should be compiled and saved as one (1) PDF file and electronically submitted to Crocker Liu, Nominating Committee Chair, crockerliu@gmail.com and Lindsay Buchanan, AREUEA Manager, at areuea@travelink.com.

Looking forward to seeing all at our first virtual conference in January!

Best regards,

Abdullah Yavas

2021 AEA/ASSA Annual Meeting will be VIRTUAL

Registration is open for the 2021 ASSA Annual Meeting, which will take place January 3-5, 2021, a Sunday, Monday and Tuesday. This year, the annual meeting and the continuing education meetings will be held as virtual events. Despite the departure from normal circumstances, we are sure we will have an engaging and successful 2021 meeting.

Feel free to register at your convenience this year, in the absence of the usual rush for preferred hotel accommodations. In the past, when you registered for the ASSA meeting, you created an account in the registration system. Please do not create a new account this year—instead, log back into your existing account. If you have forgotten your username and/or password, use the [Forgot Your Password](#) option found on the registration login page to retrieve that information.

Everyone is required to register to view the virtual conference—general attendees, students, session/panel participants, chairpersons, and discussants. General information for the 2021 ASSA Virtual Annual Meeting can be found on the [ASSA Annual Meeting](#) website.

You will be required to acknowledge the [AEA Code of Professional Conduct](#) and the [AEA Policy on Harassment and Discrimination](#) in order to complete your registration. Please feel free to read through these policies ahead of time.

Presenting at the AREUEA-ASSA Conference?

Are you presenting a paper at the January 2021 AREUEA-ASSA Conference virtually?

We are asking all presenters to make sure to provide your discussant and your session chair a copy of your final paper by December 4, 2020, to afford them adequate time for a thorough review and to ensure they are able to prepare comments for your presentation during your session.

Don't forget to make sure AREUEA has a final copy of your paper by copying Lindsay Buchanan when you send your paper to your discussant and chair. AREUEA will ensure all papers are available on our website for download during the conference.

Reminder: all presenters, session chairs, and discussants must register for the conference.

ATTENTION Presenters, session chairs, and discussants: ASSA will provide virtual room login information for each session. More information about the specifics for the virtual conference will be distributed early December.

We are looking forward to great sessions and a wonderful conference in January!

About Our Association...

The American Real Estate and Urban Economics Association (AREUEA) was originated at the 1964 meeting of the Allied Social Science Association (ASSA) in Chicago. AREUEA grew from a need for more information and analysis in the fields of real estate development, planning, and economics. AREUEA has advanced the scope of knowledge in these disciplines and has facilitated the exchange of information and opinions among academic, professional, and governmental people who are concerned with urban economics and real estate issues. AREUEA's journal, *Real Estate Economics*, is published quarterly and is distributed on a calendar year subscription basis. The journal contains research and scholarly studies of current and emerging real estate issues. The Association holds three conferences each year. The conferences are an excellent opportunity for members and non-members to catch up on the most up-to-date research available in the fields of real estate and urban economics.
