

## **Nick Tyrrell Research Prize 2018 - Call for Papers**

The Nick Tyrrell Research Prize was established by INREV, the Investment Property Forum (IPF) and the Society of Property Researchers (SPR) to recognise innovative and high-quality, applied research in real estate investment.

The three organisations are seeking submissions for the Nick Tyrrell Research Prize 2018. There are two prizes offered, an open prize (£2,000) and an under-35 prize (£1,000). In addition to a cash prize, the winners will receive publicity from the three sponsoring organisations, such as the opportunity to present their work at a seminar and / or inclusion of the paper in one of the sponsoring organisations' publications.

Submissions should present original and innovative research explaining clearly how they are of relevance to real estate investment practitioners, preferably across multiple markets, now or in the future.

The deadline for submissions is 31 May 2018. All submissions should be made to Secretariat at [nicktyrellprize@ipf.org.uk](mailto:nicktyrellprize@ipf.org.uk).

Further information about the prizes is available [here](#).
